Hi Makayla,
Please forward to the Mayor, Council, Parks & RCDC.

All,

Although RW has a generous park for its size, most of the usable area is dedicated to providing baseball fields and associated parking for the regional community. Baseball is great, but those playing fields aren't useful for other activities for the residents.

Off-leash areas create essential social and community connections, but, like baseball, dog parks are not suitable for other activities.

We should consider how much of the remaining space we want to dedicate to a regional single-use purpose and how much we want to leave as multi-use.
