Thank you! I'd like to add that I think one of the proposals to split up the property to make a separate dog park is a great idea!

Subject: Mixed use park

Hi there - not sure what options are on the table but this mixed use park is such a gem in our little neighborhood. Just want to support the current rules that dogs can come and play off leash. It's one of the most social places in Rwood every morning and evening and even

in between!

Andrea
