Makayla,

Please forward to Council, Parks and RCDC.

Dear Council, Parks & RCDC,

We wanted to send a quick note of support for creating a dedicated off leash area for dogs at Hatley Fields that isn't shared with youth sports. We believe the dirt parking lot in the back near the trees—currently underused and unattractive—would be an ideal location for a dog park. It offers natural shade and could become a much more functional and welcoming part of the park.

A designated dog area would be a great improvement for the community, giving dogs a safe place to go during games and helping keep the ball fields cleaner and more enjoyable for kids.

Thank you for considering this. Let us know if there's anything we can do to help move it forward.
