

Outlook

Dog Park

Good Morning,

I hope you're doing well on this chilly morning. It seems that there is a petition for a dog park at the Hatley Field area. I am very much in favor of this as my children utilize the field for sports and I have seen dog poop out there on multiple occasions. As a former nurse practitioner I have concerns about transmittable diseases and parasitic infections due to the exposure of children to animal feces. I would request that the city heavily consider this petition and proposition for separation of these two areas that support both the desire to have a dog park and a clean space for children to play. Please forward my email to the rest of city council and whomever else is involved in this matter. Thank you for your time.

Sincerely,
Nancy Littlejohn
