Thank you for the information. **I support dividing the dog field and the childrens softball area into two separate fields and rerouting the hike and bike trail to go between the two fields.**

I also wonder if the softball field could have two diamonds instead of three? I will be at the Parks meeting on Tuesday but will be late. Have to take my husband to a doctor's appointment.

Hi Kathy,

Thank you for your call today. The proposed improvements to the parking lot can be found on the Park Commission meeting on 11/18/2025 under the agenda packet. See here:
