Hi Makayla,

Sorry I'm sending this kind of late! I just wanted to express my support for having the dog park be separate from the youth sports area. I think it's so great that we have a dog park and an area for kids to play sports. I hope a reasonable solution can be found. From the bit of discussion I've seen (and my limited understanding) the proposal from Alex Robinette looked like a nice quick and less costly solution to put in place for now.

Please be in touch if anything else is needed to support these efforts.

Thanks and hope you're doing well!
