Hi there I have been a Rollingwood resident for 17 years and an avid dog park user for over 8 years. The dog park has been a wonderful place for my dog to connect and socialize with other dogs and, more importantly, I have found a beautiful, cross generational community that I would never have discovered or experienced had it not been for the dog park.

To that end, I would prefer to keep the shared field as is ... I prefer the (A) Status Quo option and believe it has been working beautifully. Improvements that would benefit all parties would be wonderful (ground, sprinklers, signage). Open dialogue and communication is a great way to continue this relationship. I also believe dog owners who use the park would be open to helping fund improvements.

Please forward my message to the Council, RCDC, and Parks Commission.

Thank you,
Laila (and Pikachu)
