AGENDA ITEM SUMMARY SHEET

City of Rollingwood

Meeting Date: November 19, 2025

Submitted By:

Staff, on behalf of Councilmember Glasheen

Agenda Item:

Discussion and possible action to adopt a revised parking ordinance applicable during the time(s) of Austin City Limits (ACL) and other events held in Zilker Park

Description:

The City's parking regulations currently divides the city into two zones, the red zone and the blue zone. When parking on the street during special events, residents and their guests are required to park within the zone that contains their house. This ordinance, if adopted, would remove the two zones, thereby allowing any resident of Rollingwood and their guests to park in any otherwise legally permissible street parking spot within the city limits.

Action Requested:

To consider the ordinance and adopt it if desired.

Fiscal Impacts:

Removal of the parking zones is not expected to have a direct fiscal impact on the City, but would likely free up some employee time through simplified rules and fewer residents filing affidavits with the municipal court after receiving citations.
