Hello,

I'm submitting an email so that my concern about having a dog park and field usage combined can be forwarded to the council, rcdc, and parks commission.

It is my understanding there are four options at play:

1. Status quo
2. Dedicated dog park of .25 on back parking lot
3. Dedicated dog park of .4 acres (combo lot and fields)
4. Dedicated dog park .6 acres (combo lot and fields)

It is my desire to have a dedicated .25 dog park with NO overlap on field usage. Also, it is a desire to have the dog park open to "residents" only dogs. Not sure if that is being addressed.

Best,

Deborah Arnow
