Good Morning Makayla and Alun,

I hope that you both enjoyed a nice weekend. I am asking that my email be forwarded to the City Council, RCDC and Parks Commission.

In response to the recent community dialogue regarding Hatley fields 3, 4 and 5 and the dog park, a Rollingwood citizen created a survey to poll residents about their opinion so that their views could be heard and shared with the City.

I am in favor of Option C in the survey which supports 0.4 acres for a dedicated dog park utilizing the back parking lot and some of the current fields from Hatley 3, 4 and 5.

Best,

Angus
