Work Description

Hatley 2 Field Work

- Import approximately a 1/2" of 'Infield' dirt and distribute in the infield to level out low areas. -Re-distribute existing soil as necessary to level field area. Rake smooth.
- Adjacent to bases dirt is too loose, utilize a plate compactor to re-level, re-distribute, and hold dirt in place
- Haul off any debris and dispose of off-site.

Sub-total \$4,925.00
Sales tax Exempt

Total **\$4,925.00**
