Dear GAVIN MASSINGILL, MAYOR:

In accordance with Section 26.04(h) of the Property Tax Code, below is the 2026 Anticipated Collection Rate, the last three years of Actual Collection Rates, and any excess debt collected in the prior year, as certified by the Tax Assessor-Collector, to be used to calculate your debt rate for the upcoming tax year.

The Actual Collection Rate measures the property tax distributions for the prior 12 months, including tax, penalties, and interest for all years against the current year levy. A 100% Anticipated Collection Rate and a \$0.00 excess debt collection are normal. If your numbers are not normal, you do not understand their impact, or you do not agree with the numbers, please contact us.

2026 Anticipated Collection Rate:	100 %
2025 Actual Collection Rate:	99 %
2024 Actual Collection Rate:	99 %
2023 Actual Collection Rate:	100 %
 2025 Excess Debt Collection:	 \$0.00
