Subject: Leaving Rollingwood

Good Morning, It is with heavy heart that I resign from RCDC. I am moving to Wimberley as of November 5th. I have loved living here for 26 years.

I will be taking a part of Rollingwood in my heart. I raised my son here and have so many wonderful memories. I do believe this is best place to live in Texas.

I wish you all the very best and I am only 45 minutes away so you will be seeing me around from time to time.

Sincerely,

Becky Kittleman
