Thank you for your service, William! Rollingwood is better for your contribution on the UC. Come back on when you get settled into your new home!

Many thanks,

Amber

Subject: Utility Commission

Amber,

Considering my move out of Rollingwood for this interim period (and my inability to attend over the past few months), it would probably be best for me to resign from the utility commission. It has been an honor to serve on it the past 6 years and look forward to assisting the city in any way I can now and in the future. Thank you for all you do for the city! You are the best! Please give me a call with any question or if you want to discuss.

Thanks!
