Hi DeDe,

Also, The City of Rollingwood is a part of the "EISD district Boundaries" but there is not a physical school facility in our municipal boundary. Is EISD eligible for funding from the City of Rollingwood? Section of contract below for your reference.

6..6.3 City shall only disburse the advance of the CRF Funding or claim reimbursements from the CRF Funding for Eligible COVID-19 Expenditures for City's response to the COVID-19 disaster for its own operational needs and for the needs of eligible City residents and businesses within its municipal corporate limits and within Travis County boundaries as determined by County.

Many thanks,

Amber

Hi DeDe,

Per our conversations last week, I would like to formally request that this proposed program be considered as an approved program to be funded with CARES Act funding.

The program would provide either the funding or allow the City to purchase and provide supplies to the Eanes Independent School. These supplies would be necessary for return to school in the pandemic.

Many thanks,

Amber
