Dear Ashley,

As indicated in other recent E-mails, because I am extremely busy right now and do not have the bandwidth to do the thorough job that the public deserves, I did not ask to be reappointed to the Board of Adjustment; and the City did not notify me until recently that I had nevertheless been reappointed. As stated before, I will finish out my term if you need me, but if you can find someone who would like to serve out the rest of my term, that would be great. Based on your assurance that there is someone who would like to finish out my term, I resign.
