Re: 205 Ashworth Drive
Residential Plat Review - Drainage

Dear Ms. Caylor:

K Friese + Associates, Inc. (KFA) has reviewed 205 Ashworth Drive Drainage Plans prepared by Miguel Gonzales Jr dated January 19, 2021 and issued an initial drainage comment letter. The drainage plans and outstanding drainage comments for 205 Ashworth Drive will be considered and reviewed against the Rollingwood Drainage Criteria Manual Chapter 103, Article IV, Division 1 for Comprehensive Drainage Regulations in conjunction with a permit for a building application. Based on the presented analysis, design plans, and outstanding comments, KFA recommends approval of the plat on this basis.
