Re: 2514 Rollingwood Drive  
Residential Plat Review - Drainage

Dear Ms. Caylor:

K Friese + Associates, Inc. (KFA) will consider and review the drainage plans for 2514 Rollingwood Drive against the Rollingwood Drainage Criteria Manual Chapter 103, Article IV, Division 1 for Comprehensive Drainage Regulations in conjunction with a permit for a building application. KFA does not see a reason the plat for 2514 Rollingwood Drive poses any drainage concerns and recommends approval of the plat.
