

April 12, 2021

City of Rollingwood
Attn: City Administrator - Amber Lewis
403 Nixon Drive
Rollingwood, TX, 78746

Ms. Lewis:

In conformance with the Residential Solid Waste and Recycling Service Contract, dated March 24, 2018, we convey this rate adjustment to the City to become effective June 1, 2021.

Per Section 12.1 Rate Adjustment Clause, the rates shall increase or decrease based on the change in the annual average for CPI-U Garbage and Trash Collection, not seasonally adjusted. The calculations are provided to this letter in the form of an attachment.

The most recent adjustment prior to this request occurred based on the CPI average in 2018. The evaluation of change from 2018 to 2019 did not occur in 2020 due to the unprecedented circumstances resulting from the onset of the COVID-19 pandemic. Therefore we are petitioning for the measure to consider the change in the index averages from 2018 to 2020. Therefore the adjustment amount is 6.8%.

We are proud to service the City of Rollingwood.

If you have any questions or require further information, please let me know.

Sincerely,

John Harris
District Manager
Waste Connections
