

# **AGENDA ITEM SUMMARY SHEET**

## **City of Rollingwood**

**Meeting Date: September 21, 2022**

**Submitted By:**

Staff

**Agenda Item:**

Discussion and possible action on an interlocal agreement between the City of Rollingwood and Travis County for an update to the Hazard Mitigation Action Plan

**Description:**

The \$500 covers Rollingwood's share of the cost share for the planning grant that made the HMP update possible. What this \$500 provides the City:

-official participation in the plan which will allow Rollingwood to apply to Federal Mitigation grants programs; without full participation, jurisdictions are contingent on the county applying on their behalf for mitigation projects including generators, wildfire fuels reduction, green infrastructure, natural systems protections, etc.

-an updated Risk Assessment for the City profiling natural hazards that can impact the jurisdiction

-a collaborative planning process with the County and the other jurisdictions to create and execute a cohesive and constructive mitigation strategy

**Action Requested:**

Consider and take action on the interlocal agreement between the City of Rollingwood and Travis County for an update to the Hazard Mitigation Action Plan

**Fiscal Impacts:**

See above.
