Dear City Secretary and/or City Manager:

Enclosed you will find a **copy of Texas Gas Service Company's Conservation Adjustment Clause (CAC) Rate (Rate Schedule 1C)** on file with the Railroad Commission of Texas. In accordance with Rate Schedule CAC, the Company filed its proposed conservation budget for fiscal years 2022-2024 on October 14, 2021. The City of Austin administratively approved the Company's 3-year budget for its Energy Efficiency Program on November 29, 2021. The change in rates reflected on Rate Schedule 1C includes **a decrease in the residential CAC monthly fixed charge to \$0.74/month**, effective for meters read on and after December 29, 2021. There are no changes to the commercial gas sales or commercial transportation CAC rates. The change is effective for the **36-month period January 2022 through December 2024**.

No action is required on your part; however, this tariff should be kept on file with the city (town, etc.). **This filing is made in compliance with Section 102.151 of the Texas Utilities Code that requires the filing of all rate schedules with the regulatory authority.**

If you have any questions concerning this filing, please contact me via email at [christy.bell@onegas.com](mailto:christy.bell@onegas.com).

Sincerely,
