CONTRIBUTIONS TO FRIENDS OF ROLLINGWOOD COMMUNITY PARK

The Rollingwood Park Commission and many citizens want the Park to be more user friendly, more inviting, and more beautiful. The Park could become a place with an attractive main entrance, beautifully designed gardens, and the addition of trees to create spaces around the park that are shady and inviting. Towards this goal, FRIENDS OF ROLLINGWOOD COMMUNITY PARK has been created to collect contributions from the community.

Contributions would be used for restoration and other projects such as the following:

- a. Work on areas of the Park that have become worn, dysfunctional or unattractive
- b. Resetting border stones outlining the walking trail.
- c. Maintenance of the playscapes and other park features
- d. Revitalization of the many plant beds in the Park, pulling weeds, spreading mulch, etc

All contributions to Friends of Rollingwood Community Park will be used exclusively for the Park.

Two methods exist to contribute to Friends of Rollingwood Community Park.

- e. A recurring monthly contribution can be set up.
 - i. The contributor decides on an amount and communicates the amount to Veronica at City Hall using the form that can be found on the City website.
 - ii. A line item will be added to your water bill. The water amount and contribution can be paid with a single payment.
- f. A non-recurring contribution to the Friends of Rollingwood Park can also be made.
 - i. Non-recurring payments are paid separately from the water bill with a separate check or other payment, and a payment coupon must accompany the contribution. (See payment coupon below)
 - ii. NOTE: If a non-recurring payment is not paid separately from water bill payment, eg: paid with the water bill as a single check or other method, the amount will be credited to the water bill rather than to Friends of Rollingwood Community Park.
- g. Contributions of any size will be welcomed.

Contributions are deeply appreciated and will allow the Park Commission, City Staff, Public Works and others to make lasting improvements to our Community Park
