TO: President Gustafson & Roscoe Village Trustees
FROM: Scot Wrighton, Interim Village Administrator
RE: Annexation Ordinances (First Reading Only)

Presented for consideration are two voluntary annexation petitions, in separate locations, adjacent and contiguous to the village's current corporate boundary. The subject of the first petition is a narrow tract of land on the south side of Rockton Road, about a quarter mile east of the Rockton Road Tollway interchange. The second is the Valley View Tree Farm on Belvidere Road. The attached map shows the exact location of both of these two parcels, both highlighted in pink.

Once the Village Board expresses its intention to annex these parcels by approving annexation ordinances on first reading, village staff will complete the numerous notifications required by state law prior to returning the ordinance to the Board for second and final reading/adoption.

Both parcels are proposed and recommended for annexation without pre-conditions.
