[Land Donation Agreement

LAND DONATION AGREEMENT

THIS LAND DONATION AGREEMENT (“Agreement”) is made as of the ____ day of _____, 2025 (the “Effective Date”, as defined below in Section 26), by and between NICK SOMMER, an individual residing in the State of Illinois (“Donor”), and the VILLAGE OF ROSCOE, an Illinois municipal corporation (“Donee” or the “Village”). The parties hereto may each be referred to as a “Party” individually, or jointly as the “Parties”; and

WHEREAS, Donor owns certain real property commonly known as a portion of PIN 04-33-382-009 (referred to as the “Property”), and which is legally described as set forth in Exhibit “A” and depicted in Exhibit “B”, both of which are attached hereto and incorporated herein by reference; and

WHEREAS, Donor desires to donate the Property to Donee and Donee desires to accept the donation of the Property from Donor; and

WHEREAS, Donee intends to use the Property for public purposes and for the benefit of the residents of the Village; and

NOW, THEREFORE, in consideration of the foregoing recitals, the Parties hereby agree as follows:

1. Donation of Property. Donor agrees to donate, give, transfer, quit claim, and convey to Donee, and Donee agrees to accept from Donor, the Property legally described in the attached Exhibit “A” and depicted in the attached Exhibit “B”, together with all easements and rights related to the Property and all improvements on the Property. Donor represents and warrants to Donee that Donor is making this donation without payment or other consideration from Donee other than as set forth in this Agreement.
2. Purchase Price: Costs.
 - A. The total purchase price (the “Purchase Price”) to be paid by Donee to Donor for the Property shall be Zero U.S. Dollars (\$0.00).
 - B. All costs and expenses shall be paid as set forth herein.
3. Use of Property. Donor is conveying the Property to Donee for public purposes and without restriction as to future use or ownership.
4. Inspection Period; Closing
 - A. Donee shall waive or complete its due diligence inspection of the Property within sixty (60) days of the execution of this Agreement (the “Inspection Period”). Donee, at its sole expense, shall have the right to enter upon the Property, or any part thereof, upon not less than twenty-four (24) hours

advance notice by Donee to Donor, to perform inspections of the Property. Donee shall, at all times, conduct such inspections in compliance with applicable laws and shall not cause damage, loss, cost or expense to Donor or the Property. Any damage caused by Donee during an inspection of the Property shall be Donee's responsibility to repair. Donor shall have the right to have a representative present during Donee's and its agents' entry onto the Property. Donee shall have the right to conduct any Phase I and Phase II environmental review and testing, sampling or other invasive testing of the water, soil, air or building improvements on or beneath the Property with Donor's express prior written consent, which consent shall be granted by Donor in its reasonable discretion. Donee may order a survey of the Property at its own costs and expense.

B. Donee shall ensure that any Party entering onto the Property for purposes of inspection maintains commercial general liability insurance with coverage amounts of not less than \$1,000,000.00 per occurrence, from an insurer that is licensed and in good standing in the State of Illinois and is reasonably acceptable to Donor, and in such form as is reasonably acceptable to Donor. Prior to any such Party entering onto the Property, Donee shall deliver to Donor a certificate of insurance evidencing that such insurance is in place and naming Donor as an additional insured thereon. Donee shall indemnify and hold Donor harmless from and against any loss, cost, liability, claim, or expenses Donor may incur resulting either directly or indirectly from any such inspections. Donee shall have until the end of the Inspection Period to terminate this Agreement by written notice to Donor in Donee's sole and absolute discretion. If Donee does not deliver a written notice to Donor before the end of the Inspection Period terminating this Agreement, then Donee is deemed to have waived this inspection contingency and any right to object to the condition of the Property. Since the Property is being donated in an "as is" condition with all faults thereon, Donor shall not be required to cure any condition existing in, on, or about the Property.

C. Closing Date. The closing of the donation contemplated by this Agreement (the "Closing") shall occur on or before _____, 20____. Closing shall be held at a mutually agreed upon location.

5. Donor's Deliveries at the Closing. At the Closing, Donor shall deliver to Donee directly the following documents and items, each in a form mutually agreed-to by the Parties:

 - E. Possession (and use, as applicable) of the Property, free of parties in possession (except as specifically set forth herein or as otherwise mutually agreed to by a written agreement of the Parties), and in the same condition as of the Effective Date (excepting normal wear and tear).
6. Donee’s Deliveries at the Closing. At the Closing, Donee shall deliver to Donor directly the following, each in a form mutually agreed-to by the Parties:
- A. Such proof of Donee’s authority and authorization to enter into this transaction as may be required by Donor, including a certified ordinance approved by the corporate authorities of the Village;

 - C. Any and all reasonable and customary documentation to complete the transaction contemplated herein, including, but not limited to, obtaining any necessary government approvals, such as State, county, and municipal Transfer Tax Declarations to the extent required by law.
7. Joint Deliveries at Closing. At the Closing, the Parties shall jointly deliver the following fully-executed documents pursuant to the terms set forth herein:
- A. Any and all documents reasonably required to effectuate the transactions contemplated herein; and
 - B. All documents or other deliveries required to be made by Donee or Donor at the Closing, and all transactions required to be consummated concurrently with the Closing, shall be deemed to have been delivered and to have been consummated simultaneously with all other transactions and all other deliveries, and no delivery shall be deemed to have been made and no transactions shall be deemed to have been consummated, until all deliveries

required by the Parties have been made and all concurrent and other transactions have been consummated.

10. Utilities. Donor shall order a final reading on all utilities, if applicable, and be responsible for all costs and expenses associated with the same for all days prior to the Closing Date. Donor shall pay the utility provider the ascertainable amount due and owing regarding the utilities as of the Closing and provide a copy of all such documents to Donee to ensure the payment of the same is made. The Parties shall cooperate to cause the transfer of the Property's utility accounts, if any, from Donor to Donee.
11. Title Insurance and Documentation.
 - A. Title Commitment. In the event that Donee desires to obtain a title commitment, it may do so at its sole cost and expense. Donor shall not have any obligation to provide a title commitment. Donor shall be entitled to review said title commitment prior to closing.
 - B. Title Policy. As of the Closing Date, Donee, if it so desires and at its sole cost and expense, may cause a title company to issue to Donee its applicable ALTA Form.
 - C. Restrictions, Easements, Limitations. Donee shall take title to the Property subject to all matters of record.
 - D. Defects in Title. If Donee raises an objection to Donor's title to the Property, which, if valid, would make title to the Property uninsurable, Donor shall have the right, but not the obligation, to unilaterally terminate the Agreement by giving written notice of the termination to Donee. Donor is not obligated to (i) remove any exception; (ii) bring any action or proceeding or bear any expense in order to convey title to the Property; or (iii) make the title marketable or insurable. Any attempt by Donor to remove such title exceptions shall not impose an obligation upon Donor to remove these exceptions.
