

VILLAGE OF ROSCOE

AGENDA ITEM - STAFF REPORT

Agenda Item: Main Street Ped Crossing Bid Specifications Approval

Date: 09/11/2025

Meeting: Village Board

Prepared by: Brandon Boggs

Department: Public Works/Engineering

Overview/Background Information

Fehr Graham has submitted engineering plans and bid specifications for authorization by the Board to publicly bid the Main Street Pedestrian Crossing project. A summary of the project scope can be found below:

- Reconstruction of existing ADA curb ramp on northwest corner of Bridge and Main
- Construction of new ADA curb ramp on NE corner of Bridge and Main
- New crosswalk pavement markings, restoration, and other miscellaneous items.

Key Issues

- The bids will be publicly advertised through a local newspaper to satisfy Village purchasing policy requirements.
- The project completion date has been set for November 14, 2025.

Fiscal Note/Budget Impact

- The current estimate of construction costs (with contingency for unforeseen items) is \$49,610.00.
- Actual project/contract costs will be known following the bid opening.

Prior Legislative Actions

N/A

Action Required/Recommendation

Staff recommends approval of the specifications/bid package to begin the public bidding process.
