

# VILLAGE OF ROSCOE

## AGENDA ITEM - STAFF REPORT

<b>Agenda Item:</b>	IDOT Resolution for Improvement - Main St. Pedestrian Bridge Design Services		
<b>Date:</b>	April 1, 2025	<b>Meeting:</b>	Committee of the Whole
<b>Prepared by:</b>	Brandon Boggs	<b>Department:</b>	Public Works/Engineering

### Overview/Background Information

Fehr Graham is presenting an IDOT MFT resolution for the engineering design services related to the Main Street Pedestrian Bridge. Due to MFT funds being utilized for the design services, a Resolution for Improvement must be approved by the Board and submitted to IDOT for approval.

### Key Issues

Fehr Graham's original design contract, approved by the Village on 06-21-22 (2022-R42), was approved with the understanding that MFT funds would be utilized but the appropriate IDOT Resolution for Improvement was submitted to the Village for approval. **Approving this resolution is simply a paperwork cleanup process and does not require any additional funding to be allocated/spent by the Village.**

### Fiscal Note/Budget Impact

N/A – this design contract was approved in 2022.

### Prior Legislative Actions

N/A

### Action Required/Recommendation

Staff recommends approval of the IDOT Resolution to ensure that all appropriate paperwork is up to date with IDOT.
