October 15, 2026

TO: President Gustafson & Village Trustees

FROM: Scot Wrighton, Interim Village Administrator

RE: Hometown Holidays

The attached application and event map require an approval motion from the Village Board because it requires closure of village right-of-way.

Trustee Mike Wright has spearheaded this event and made most of the arrangements for Hometown Holidays, and he can answer questions about event the details.

Board action to approve a temporary liquor license will likely occur in early November.
