Overview/Background Information

In 2018, the Village entered into an agreement with Stateline Fastpitch for the organizations use of the Village’s Swanson Park to operate Stateline’s youth baseball program. To ensure stability in their programming plans, the agreement is for 3-years, with provisions for the team to request a new three-year agreement from the Village each year. Essentially, if approved, this provides the organization with an additional 1-year extension after each year, resulting in a continuous 3-year agreement. Should the Village choose not to approve an agreement, the team would have 3-years to find a new location for its programming. The Organization has not requested an extension for the past few years, which has resulted in the agreement expiring at the end of 2024. They are requesting that an additional 3-year agreement be approved.
