### Overview/Background Information

The Village Code establishes a maximum number of authorized liquor licenses for each classification. With the recent closure of Whiskey Hotel Barbeque, the associated Class “F” liquor license was surrendered. This ordinance amendment formally updates the Code to reflect the current number of active and available Class “F” licenses.

### Key Issues

This update is administrative in nature and ensures that the Village Code accurately matches the number of licenses currently issued and available.

### Fiscal Note/Budget Impact

Reduction of one (1) Class “F” license results in a potential revenue decrease of \$3,000 annually should the license remain unissued.

### Prior Legislative Actions

The Village previously authorized seven (7) Class “F” liquor licenses.

### Action Required/Recommendation

Staff recommends approval of the ordinance decreasing the maximum number of Class “F” liquor licenses to six (6).
