Overview/Background Information

The request is for a special event permit for a disc golf tournament to be held at Porter Park on November 2, 2024.

The tournament goes back many years (10+) and has been run by several different organizations. Typically this has been held at Anna Page Park in Rockford. Porter will work well with its permanent basket lights. This event will be a two round disc golf tournament, second round being glow after dark.

This tournament is hosted by the Stateline Disc Golf Association and Outta Bounds Disc Golf. It is expected to sell out and provide plenty of exposure to the Porter Park disc golf course and the associations involved. The cabin will be utilized as part of the event. Cabin use would be limited to inclement weather. They will set up a small pop up tent and table outside for registration. They will likely would use just the porch if it was raining to limit the cabin to bathroom use only.

8/29/2024- Tournament name changed to "Nightmare at Porter Park"
