ITEM

Resolution 2021-43 a Resolution of the City Council for the City of Salida, Colorado Adopting and Approving the 2022 Fee Schedules.

BACKGROUND

Our City, including the City Clerk's office and its various departments, relies upon fees to provide many services to its customer and citizens. The Salida Municipal Code authorizes the operations of the City and provides for the establishment and amendment of fees for various City services. Occasionally new services are offered and additional regulations are implemented which also require the addition or amendment of fees charged by the City.

The City Clerk's office wants to ensure that all fee schedules, relating all department within the City, can be updated and streamlined within the amended 2022 Schedule of Fees. All department heads and relevant staff have contributed towards their respective schedules, which can be found in Exhibit A, following the Resolution in the packet. We believe this is an important step for ease of use and transparency for all of the City's citizens and customers.

Council should note that there are changes to fees for many of the departments to reflect the increasing costs of providing services to the community.

Finance Increases:

The monthly water rates are increased 2.6% over 2021 and the monthly wastewater rates are increased 8.9% over 2021. This is on track with the rate study recommendations made by Ehlers, Inc in their 2020 report which Council agreed to. Reminders of this rate increase schedule were mentioned at public meetings during the 2022 budget process.

In addition, the bulk water rates have been changed (these are listed in the "other" section). These are generally fees charged to contractors that access water for construction purposes. The justification for the fee increase is that these are manual reads and individual billings which are time consuming to manage. Additionally, the infrastructure at the 'untreated' bulk water station is nearing the end of its useful life and would likely be a couple \$100k to upgrade.

Parks and Recreation:

The Department of Parks and Recreation, along with the Salida City Council and the Parks, Recreation, Open Space and Trails Advisory Board, engaged in cost recovery/subsidy and financial strategy work in 2020. Through this work, service categories and subsidy goals were established for the services that the Department offers. Where applicable, the service category is listed for the service offered in the following tables. The Department is comparing subsidy goals to current fees and a draft financial support and sustainability plan to determine appropriate fees in 2022. Additionally, Pool Access has changed dramatically due to COVID 19. Memberships were placed on hold and all visits require registration. Memberships (including health insurance based membership - Silver Sneakers) are being offered again in 2022. Daily pass prices are being increased by 30% and membership fees are being increased by 10% as per approval by the PROST board.

Police Department:

The Fee Schedule was updated based on statute and industry standards. There are new fees related to our newly acquired Records Department.
