October 1, 2023

As part of the Emergency Action Plan for the 28<sup>th</sup> Annual Colorado Brewers Rendezvous, we will coordinate with local public authorities in advance of the event to understand their processes, including EMS, Police, and Fire.

Shared documentation will include maps of the venue with highlights of emergency access routes, first aid station, concession areas, parking, water/hydration station, plus port-o-lets and hand wash stations.

Evaluation of possibility of any risks to be reviewed will include:

- Severe weather patterns, thus watching the weather patterns prior to event, notifying attendees in advance to dress appropriately, and be prepared for rain showers, high temperatures or strong winds.
- Communications with local authorities if there is any known threat to the event (i.e., attendee or vendor with history of disobedience or possible mental health issues to be aware of).
- Consideration of transportation for attendees as parking is limited thus working with the Chaffee Shuttle to offer attendees the opportunity to park and ride, leaving their vehicles at home, or place where lodging. Advance advertisement will include awareness of local shuttle service, and taxi service plus maps of walking trails or streets for making their way downtown to Riverside Park.

Considering the vulnerabilities of our participants and attendees is crucial. Conversations will be had with our partners, the Colorado Brewers Guild regarding proper pours via the beer vendors along with vendors and event staff volunteers recognizing and understanding crowd disposition (unruly or disruptive characters). Awareness that security is available in the park will be noted in outgoing documentation to our vendors, plus request of the Guild ask their beer vendors to respect the responsible service and delivery to those consuming via their TIPS training.

Communications plan will include:

- Call tree that outlines who should be contacted in an emergency, in what order to include the head of the Brewers Guild, the Chamber of Commerce, and lead volunteers managing different stations in the park.
- Preparedness for good Wi-Fi signals will be tested prior to the event.
- List of lead contacts will be given to the Security Officers

- Lead name(s) will be assigned to handle any media requests if there were to be any security issues, thus keeping messaging concise and calm.
- Identification of lead decision makers for authorizing cancellation of event, due to severe weather or unforeseen act will be noted with contact name(s) and numbers.
- In the event evacuation were required and potential shelter needed, conversation will be had prior to event with local authorities regarding such assembly.

Other considerations:

- Volunteers and Staff will be identifiable via event shirts and lanyards.
- Beer Vendors and Colorado Brewers Guild staff will have identifiable shirts as well as having their HQ tent clearly marked.
- Designated Drivers, or non-drinkers will be given a RED cloth wristband with pinch closure. Nondrinkers caught drinking will be escorted out of the park.
- Signage will be throughout the park and outside of the park with directional signs.
- Marketing leading up to the event will include requests to leave dogs at home with suggestions for dog day care if traveling with family pet.

Suggestions or changes welcome. Our goal is to host a safe and welcoming event. Given State of Colorado and Chaffee County/City of Salida mandates relating to COVID-19, or other such health issues to be addressed if needed at a later date.

Thank you,

Lori Roberts, Executive Director  
Salida Chamber of Commerce

## CITY OF SALIDA

### OVERVIEW OF LOCAL NOISE REGULATIONS & PERMITTING

Chapter 10, Article IX of the Salida Municipal Code (the “Code”) establishes regulations and standards for noise within the City of Salida (the “City”) to reduce and eliminate unnecessary and excessive noise which would otherwise be detrimental to residents and the community in the enjoyment of life, property, and the conduct of business. Of note, Section 10-9-30(c) of the Code provides that it is “unlawful for any person to emit or cause to be emitted any noise which leaves the premises on which it originates, inclusive of a public premises, crosses a property line and enters onto any other premises in excess” of the specified levels.

Pursuant to Sections 10-9-40(14) and 10-9-80 of the Code, however, the City may specifically exempt a particular noise from this prohibition through the issuance of a noise permit. Such a permit may include limitations and conditions to minimize the adverse impacts of the proposed noise may have on the community or surrounding neighborhood. Such limitations and conditions include, but are not limited to, the following: the hours of operation, maximum decibels, the type of sound amplification equipment, and the type of sound that may be amplified. No permit shall be issued for noise after 10:00 PM, with allowances to go until midnight on the Fridays and Saturdays of Memorial Day weekend, 4<sup>th</sup> of July weekend, and Labor Day weekend, and on the Thursday, Friday, and Saturday during the FIBArk Festival.

The issuance of a noise permit is at the sole discretion of the City Administrator or City Council, and the issuance of such permit does not confer any rights upon the permittee other than those expressly authorized by the permit. Violation of any of the conditions or limitations set forth in the noise permit may result in immediate revocation of the permit. Revocation of the noise permit does not preclude the City from seeking any remedies otherwise available under federal, state, or local law.

**Applications for a noise permit must be submitted on the attached “Application for a Noise Permit” form and submitted at least five (5) working days prior to the date for which the permit is sought.**

## CITY OF SALIDA
