Angel of Shavano Car Show alternative street closure plan for 2021-
In the event Fst is closed for outdoor dining.

A couple of SAR members who have extensive experience with the car show have suggested that we change the streets for the car show as follows: Close E street from the alley to the park. Close Sackett from F street to D street. Leave F street open. This leaves the new parking lot at the caboose open. We will park cars in the park, along Sackett from F to D and along E from the park to the alley. Entrants can drive into the show on E street or on Sackett from either D or F---they will leave the show on E street. We will need an electric hookup in the park where E street meets the park. As always, we need the entire park, including the grandstand area. We will set up our registration vehicle where E street meets the park. This is just an alternative proposal for your consideration.
