Council Action: Approve Final Settlement for the 2021 Sewer Reconstruction Project

Project No: 2021-003

BACKGROUND

The City of Salida owns and maintains the wastewater collection system within the service areas of Salida and Poncha Springs. The City has a maintenance program that includes scheduled line cleaning and inspection of mains. Capital improvement programs including line rehabilitation and replacement are necessary to address system deficiencies, ensure reliable service, and replace infrastructure that is nearing the end of its useful life. The useful life of a sewer main can depend on multiple factors such as structural issues/breaks, offset joints, and gaps in joints which can introduce water infiltration and roots.

The project generally consisted of removal and replacement of 6-inch mains between Park Ave. and Ouray Ave. as well as other point repairs.

FISCAL NOTE

City Council awarded a Construction Contract to RMS Utilities, Inc on January 19, 2021 for the 2021 Sewer Reconstruction Project with a total project budget of \$242,513.15. The final project construction cost was \$207,266.50. The 5% retainage in the amount of \$10,363.33 has been withheld pending approval of final settlement by council. Public Notice of Final Settlement was advertised on August 17th and 20th, 2021.

RMS Utilities, Inc. provided excellent quality of work and coordination with the City throughout the project.

STAFF RECOMMENDATION

To approve final settlement to RMS Utilities, Inc. in the amount of \$10,363.33 for the 2021 Sewer Reconstruction Project.

SUGGESTED MOTION

A Council person should make a motion to “combine and approve the items on the consent agenda.”

Followed by a second and then a voice vote.
