

CITY COUNCIL WORK SESSION MEMO

DEPARTMENT Parks and Recreation	PRESENTED BY Diesel Post - Parks and Recreation Director	DATE April 15, 2024
---	--	-------------------------------

ITEM

Urban deer population update, options, and discussion.

BACKGROUND

The council has received community feedback regarding the mounting interactions, concerns, and impact of the human and deer populations in town. Staff met with CPW to discuss the issue, reviewed the findings of the 2013 Deer Taskforce Report (attached to this memo), research possible courses of action and are prepared to discuss this issue with council in this work session.
