CITY OF SALIDA

OVERVIEW OF LOCAL NOISE REGULATIONS & PERMITTING

Chapter 10, Article IX of the Salida Municipal Code (the “Code”) establishes regulations and standards for noise within the City of Salida (the “City”) to reduce and eliminate unnecessary and excessive noise which would otherwise be detrimental to residents and the community in the enjoyment of life, property, and the conduct of business. Of note, Section 10-9-30(c) of the Code provides that it is “unlawful for any person to emit or cause to be emitted any noise which leaves the premises on which it originates, inclusive of a public premises, crosses a property line and enters onto any other premises in excess” of the specified levels.

Pursuant to Sections 10-9-40(14) and 10-9-80 of the Code, however, the City may specifically exempt a particular noise from this prohibition through the issuance of a noise permit. Such a permit may include limitations and conditions to minimize the adverse impacts of the proposed noise may have on the community or surrounding neighborhood. Such limitations and conditions include, but are not limited to, the following: the hours of operation, maximum decibels, the type of sound amplification equipment, and the type of sound that may be amplified. No permit shall be issued for noise after 10:00 PM, with allowances to go until midnight on the Fridays and Saturdays of Memorial Day weekend, 4th of July weekend, and Labor Day weekend, and on the Thursday, Friday, and Saturday during the FIBArk Festival.

The issuance of a noise permit is at the sole discretion of the City Administrator or City Council, and the issuance of such permit does not confer any rights upon the permittee other than those expressly authorized by the permit. Violation of any of the conditions or limitations set forth in the noise permit may result in immediate revocation of the permit. Revocation of the noise permit does not preclude the City from seeking any remedies otherwise available under federal, state, or local law.

Applications for a noise permit must be submitted on the attached “Application for a Noise Permit” form and submitted at least five (5) working days prior to the date for which the permit is sought.

City of Salida Mayor and Council
448 E. First Street, Suite 112
Salida, CO 81201

Dear Honorable Mayor and Council Members:

This letter is regarding the North F Street Road closure (from Sackett Ave. to public parking) for the FIBark Whitewater festival events. After the Special Events Meeting today and by request of the Deputy City Clerk, I am providing our input about the North F Street closure. The staff at Salida Fire Department would like to see that portion of the road closed due to the large number of pedestrians that will be crossing the road from Riverside Park to the boat ramp. Last year we saw many "near misses," from vehicles and pedestrians. We will be able to provide businesses access by means of allowing local traffic and deliveries to go past the closure and do business as usual. I hope this aids in your decision making of this matter.

Sincerely,

Members of Salida City Council

Dear Mayor and Council,

During recent planning meetings with the FIBArk organizers, city departments and other emergency services, the subject of planning the North 'F' Street activities and surrounding road closures during the whitewater festival. Having observed festivals of the previous years, and the tentative activity plan for this year, it is my suggestion that North 'F' Street be closed from the intersection of Sackett Avenue north.

This area is saturated with pedestrians, children, intoxicated persons and bicyclists entering and exiting the park, local restaurants and the walking path as well as onlookers at the 'F' Street bridge. The opinion of the Salida Police Department is that the hazards created by adding vehicle traffic, especially during low light hours is too great a risk to justify leaving this route open to vehicles.

Sincerely,
