Declaration of Extension of State of Emergency – Covid-19 Action Plan Implementation

BACKGROUND

As we are all quite aware, the worldwide COVID-19 pandemic has created an environment where federal, state and local governments Article XVII, Section 2-17-10 of the Salida Municipal Code states that when it appears to the Mayor that the general health, safety and welfare of the inhabitants of the City are threatened, he or she may declare a state of emergency by proclamation. After conferring with the Chaffee County Public Health, on Friday, March 13th, 2020, such an emergency declaration was approved by Mayor Wood to approve the City of Salida COVID-19 Action Plan. The City Council ratified the emergency declaration on March 17th, 2020, extending until April 25th, 2020. Sixteen extensions have been granted for the Declaration, with the most recent one ending on August 4th, 2021. Staff continues to work with Chaffee County Public Health to revise the City of Salida COVID-19 Action Plan to reflect changes to the State of Colorado's COVID-19 Dial, identifying rates of infection, positivity rate, and hospitalizations as data points for moving up or down on the City's Tiered response (a copy of the Action Plan is attached hereto for your review). Currently, the City is at Tier I in the Action Plan, with Chaffee County continuing to have a public health order in place.

Section 2-17-30 establishes a term of no more than ten (10) days of for any emergency declaration. It also provides that the City Council may extend any proclamation issued by the Mayor for a period not to exceed forty (40) days by a two-thirds (2/3) vote. As issues related to COVID-19 continue, it is imperative that the City continues to follow the protocols established in the Action Plan.

FISCAL NOTE

No direct costs immediately; however, costs may be incurred as this ever-evolving situation goes forward.

STAFF RECOMMENDATION

At the last City Council meeting where the Emergency Declaration was discussed, staff was optimistic that we could allow the Declaration to end in August; however, due to stagnating vaccination rates and the highly-contagious Delta variant now being the dominant strain in Colorado, it has become evident that the City should retain its emergency footing as we head towards the fall. Staff recommends approval by the City Council of a Declaration of Extension of Local State of Emergency to implement the City of Salida's COVID-19 Action Plan, as currently established, until September 8th, 2021, which is one day after the first regular City Council meeting in September.

SUGGESTED MOTION

A City Councilmember should make a motion to approve a Declaration of extension of Local State of Emergency to implement the City of Salida's COVID-19 Action Plan, extending until September 8th, 2021, followed by a second and a roll call vote.

City of Salida, Colorado

City Clerk

CITY OF SALIDA – COVID-19 ACTION PLAN

Purpose: To provide a comprehensive and tiered Action Plan to City of Salida officials in response to the ongoing COVID-19 pandemic. This Action Plan is intended to slowly escalate to proactively respond to changes in the situation as well as reflect the recommendations of our State and local Public Health Departments. This Action Plan is effective December 1, 2020, until further notice.

Tier I – Level Green/Blue

Heightened Awareness. The Colorado Department of Public Health and Environment (CDPHE) or Chaffee County Public Health Department (CCPH) have indicated that COVID-19 is in the state and are encouraging citizens to be aware and to focus on sanitization and hygiene. CDPHE and/or CCPH has placed Chaffee County in either Level Green or Level Blue on the State's COVID-19 Dial, with Incidence Rates of up to 75 cases per 100,000 residents (or more than 15 cases in Chaffee County per two-week period), or when the percentage of positive tests is below 1.5%.

- Identify work spaces where employees can temporarily isolate if they are awaiting transportation to their home or medical care.
- Wash hands often, also use hand sanitizer often.
- Face coverings are required in indoor public settings.
- Heightened amount of environmental sanitation – Lysol, wipes, environmental germicide sprays, etc.
- Employees should refrain from traveling to conferences and/or meetings in other parts of the Country where cases of COVID-19 are expanding.

- Meetings of the City Council, and of official City Boards and Commissions, will offer the option for remote attendance and participation.
-

Tier II – Level Yellow

Statewide Concern. CDPHE and/or CCPH have indicated multiple cases of COVID-19 within the Chaffee County. CDPHE and/or CCPH has placed Chaffee County in Level Yellow on the State’s COVID-19 Dial. Incidence Rates are between 75 and 175 cases per 100,000 residents (or between 15 and 35 cases in Chaffee County per two-week period), or when the percentage of positive tests is between 1.5% and 3%. When directed by the Mayor, City Administrator, or their delegate, the City will move its response to Tier II which, in addition to Phase I steps, include:

- Teleworking and staggered shifts authorized. Departments should utilize telework options for a limited number of employees to lessen the impact on Tech Services.
 - Meetings of the City Council, and of official City Boards and Commissions, will offer the option to attend and participate remotely, and may take place in person following all physical separation requirements. Attendance by members of the public may occur based on room size/capacity and maintaining 6’ of distance between attendees.
 - Employees should refrain of physical contact with each other and with members of the public. CDPHE and CCPH recommends a 6’ distance of separation.
 - Employees should limit or eliminate any outside agency meeting attendance, unless able to be done remotely.

 - Employees who self-identify as high risk (having compromised immune systems, for example) should work from home.
 - The City will take direction from CDPHE and CCPH.
-

Tier III – Level Orange/Red

Chaffee County Concern. Chaffee County Health has indicated multiple rising cases of COVID-19 within Chaffee County, with an Incidence Rate between 175 and 350 per 100,000 residents (or between 35 and 70 cases in Chaffee County per two-week period), or when the percentage of positive tests is between 3% and 5%. CDPHE and/or CCPH has placed Chaffee County in either Level Orange or Level Red of the State’s COVID-19 Dial. When directed by the Mayor, City Administrator, or their delegate, the City will move its response to Tier III which, in addition to Phase II steps, include:

- Employees will be directed to stay home (or go home) if they or any family member they live with is exhibiting any symptoms, or if they are high risk.
- Meetings of the City Council, and of official City Boards and Commissions, may take place in person following all physical separation requirements, and with the following limited

restrictions: in-person attendance of the public is limited to only applicants or appellants for quasi-judicial hearings. Remote attendance and participation by all parties, including City Councilmembers and staff, is strongly encouraged.

- Recreation programs shut down, including very limited access to, or closure of, the Salida Hot Springs Aquatic Center, the SteamPlant Event Center, and the Rotary Scout Hut. Specific closure dates shall be established by Department Heads and announced via press release.
- Teleworking and staggered shifts authorized. Departments will continue to roll out additional measures or plans to allow employees to work remotely, when feasible.
- Departments must take additional steps they have identified to limit exposure between employees and between employees and members of the public.
- Reduced staffing in City buildings authorized. Departments will take steps to ensure City buildings are minimally staffed, and public access is very limited. - Other steps as directed by CDPHE and CDPH.

Tier IV – Level Red/Purple

Full implementation of Response Plan. Tier IV may occur at such time as CDPHE and/or CDPH places Chaffee County in either Level Red or Level Purple on the State's COVID-19 Dial, with Incidence Rates in excess of 350 cases per 100,000 residents in Chaffee County (or more than 70 cases in Chaffee County per two-week period), or when the percentage of positive tests exceeds 5%, or schools are shut down, or hospitalizations exceed bed capacity at health facilities in Chaffee County, or at such other time as Salida deems it to be in the best interest of the organization and/or community. When directed by the Mayor, City Administrator, or their delegate, the City will move its response to Tier IV which, in addition to Phase III steps, include:

- City Buildings minimally staffed, no public access. Public will be directed to conduct business online, if feasible, or by phone. Non-essential services (City Hall Administration, City Hall Finance, Fire Station Administration, Police Station Administration, and Public Works Administration) are closed to the public. Public is encouraged to use digital and telephone communication, website access, online payments, and other ways of communication to conduct business with the City. Masks required at all times.

- In-Person attendance of meetings of the City Council, and of official City Boards and Commissions, shall be heavily restricted to only staff and select Elected or Appointed Officials who are necessary to be present to effectively run meetings. Any attendance and participation by the public, including applicants and appellants for quasi-judicial hearings, shall be conducted remotely only.
- Departments will fully enact Departmental plans. Teleworking options and staggered shift work maximized. Only essential services ongoing, unless able to be provided through employees working remotely.
- Incident Command may be set up locally or in coordination with County Authorities.
- Selected City Staff mandatory use of PPE.
- Other steps as directed by State and Local Health authorities, including support of their efforts.

Mayor P.T. Wood asks that the community remain vigilant during these challenging times. “Chaffee County Public Health has worked very hard to get our community through a tumultuous period while keeping our business community intact. It is critically important that we increase our efforts to limit the spread of the disease to the greatest extent possible as we head into the upcoming winter months. Remember that Chaffee’s Got Heart:

- **Hang at Home if Sick**
- **Excel at Handwashing**
- **Always Wear a Mask in Public**
- **Respect Social Distancing**
- **Test if You Have Symptoms**
