ITEM:

Consent Agenda

Council Action: Approve Final Settlement for the 2020 Sewer Rehabilitation CIPP Point Repairs Project

Project No 2020-008

BACKGROUND:

The City of Salida owns and maintains the wastewater collection system within the service areas of Salida and Poncha Springs. The City has a maintenance program that includes scheduled line cleaning and inspection of mains. Capital improvement programs including line rehabilitation and replacement are necessary to address system deficiencies, ensure reliable service, and replace infrastructure that is nearing the end of its useful life. The useful life of a sewer main can depend on multiple factors such as structural issues/breaks, offset joints, and gaps in joints which can introduce water infiltration and roots.

Cured-In-Place Pipe (CIPP) is a common rehabilitation practice that allows for point repairs to be completed without excavation. A liner is pulled into a pipe, expanded, and cured to form a structural interior surface at broken pipes, infiltration locations, or other defects. This method is cost effective and limits disruption to citizens. It is often a preferred method in the industry depending on the overall pipe condition and line size.

FISCAL NOTE:

City Council awarded a Construction Contract to Guildner Pipeline Maintenance, Inc on February 4, 2020 for the 2020 Sewer Rehabilitation CIPP Point Repairs Project with a total project budget of \$171,050.

All work was completed within budget and was accepted by Public Works. The final project construction cost was \$155,229.00. The 10% retainage in the amount of \$15,522.90 has been withheld pending approval of final settlement by council. Public Notice of Final Settlement was advertised on December 29th, 2020 and January 1st, 2021.

Guildner Pipeline Maintenance, Inc provided excellent quality of work and coordination with the City throughout the project.

STAFF RECOMMENDATION:

To approve final settlement to Guildner Pipeline Maintenance, Inc in the amount of \$15,522.90 for the 2020 Sewer Rehabilitation CIPP Point Repairs Project.

REQUEST FOR CITY COUNCIL ACTION
