- 5.3 Limitations on Wastewater Delivered Through Sewer Line Connection. The Developer acknowledges and agrees that Salida's obligation to provide sewer service to the Property is contingent upon the Developer's construction and installation, and Salida's written approval pursuant to paragraph 5.10 below, of the Public Improvements for each phase associated with the Sewer Line Extension.
 - 5.3.1 Until and through December 31, 2029, this Agreement is revocable by Salida if Developer cannot provide proof of funds and/or financing for final plat subdivision infrastructure within twelve (12) months of the Effective Date of this Agreement.

Before the Developer commences construction or installation of the Public Improvements, the Salida Public Works Director or City Engineer must review and approve the drawings and plans for such improvements and proposed phasing, which drawings and plans must be stamped by the engineer retained by the Developer.
- 5.6 Construction Standards. The Developer shall ensure that all construction is performed in accordance with this Agreement, industry standards, and Salida's rules, regulations, requirements, and criteria governing such construction.

- 5.8 Warranty. The Developer shall warrant the Public Improvements in accordance with Salida Municipal Code section 16-2-60(f) for the Warranty Period, which is one year from the date that the Salida Public Works Director or City Engineer, in accordance with paragraph 5.10 below, approves the Public Improvements and certifies their compliance with approved specifications. The Developer shall provide a one-year Warranty Bond or furnish a letter of credit, for the Public Improvements, including without limitation the Sewer Line Extension and all Appurtenant Sewer Service Lines. In the Warranty Bond or letter of credit, the Developer shall list Salida as the benefitted owner of the Public Improvements.
- 5.8.1 Specifically, but not by way of limitation, the Developer shall warrant the following:
- (1) That the title conveyed shall be good and its transfer rightful; and
 - (2) Any and all facilities conveyed shall be free from any security interest or other lien or encumbrance; and
 - (3) Any and all facilities so conveyed shall be free of any and all defects in materials or workmanship.
- 5.8.2 In the event of any defect in workmanship or quality during the Warranty Period, the Developer shall correct the defect in workmanship or material.
- 5.8.3 In the event that any corrective work is performed by the Developer during the Warranty Period, the warranty on said corrected work will be extended for one year from the date on which it is completed.
- 5.8.4 Should the Developer default in its obligation to correct any defect in workmanship or material during the Warranty Period, the City will be entitled to draw on the Warranty Bond or letter of credit and/or to pursue any other remedy described in Section 7 below.
- 5.8.5 In addition to warranting the Public Improvements as described herein, the Developer shall perform routine maintenance on the Public Improvements for the duration of the Warranty Period.
- 5.8.6 Pursuant to Salida Municipal Code section 16-2-60(n), the performance guarantee issued pursuant to this Agreement shall be fully released and discharged upon

expiration of the one (1) warranty period, and the correction of any defects discovered during such warranty period.

- 5.9.1 The Developer shall hire a qualified geotechnical consultant to provide quality assurance testing during the construction and installation of the Public Improvements, and shall deliver to Salida copies of all test reports.
- 5.9.2 The Developer shall hire a professional engineering consultant to provide construction management and inspections during the construction and installation of the Public Improvements, and to stamp the drawings and plans for the Public Improvements before such drawings and plans are reviewed and approved by the Salida Public Works Director or City Engineer pursuant to paragraph 5.5 above.
- 5.9.3 The Developer shall reimburse Salida for any and all costs associated with Salida's observation of Development on the Property and inspection and testing of the Public Improvements, and Salida will not give its written approval of the Public Improvements, as described in paragraph 5.10 below, until such costs, if any, have been reimbursed. Such observation and inspection may occur at any point before, during, or upon completion of construction and installation.
- 5.10 Salida's Written Approval of Public Improvements. Upon the Developer's request, the Salida Public Works Director or City Engineer shall inspect the Public Improvements for each phase to ascertain whether they have been completed in conformity with the approved plans and specifications. The Salida Public Works Director or City Engineer shall confirm in writing the date on which the Public Improvements for each phase have been completed in conformity with the approved plans and specifications. The Developer shall make all corrections necessary to bring the Public Improvements into conformity with the approved plans and specifications.
- 5.11 Final Acceptance of Public Improvements. Upon expiration of the Warranty Period, and provided that any breaches of warranty have been cured and any defects in workmanship and/or materials have been corrected, Salida shall issue its final written acceptance of the Public Improvements. Thereafter, Salida shall maintain such Public Improvements.
- 5.12 Inspection Distinguished from Approval. A Salida official's inspection and/or verbal approval of the Development, at any particular time, will not constitute Salida's approval of the Public Improvements as required hereunder. Such written approval will be given by the City only in accordance with paragraph 5.10 above.
- 5.13 Compliance with Environmental Laws. During Development, the Developer shall comply with all Federal and State environmental protection and anti-pollution laws, rules,

regulations, orders, or requirements, including without limitation the Federal Water Pollution Control Act (commonly referred to as the Clean Water Act), the Resource Conservation and Recovery Act, and the Comprehensive Environmental Response Compensation and Liability Act.

5.14 Reimbursable Costs and Fees. The Developer shall pay to Salida the fees described below at the time set forth below:

5.14.1 The Developer shall reimburse Salida for all fees and actual costs incurred by Salida in connection with Salida's processing and review of the proposed Public Improvements, including without limitation Salida's review of the Developer's Subdivision Improvements Agreement with Poncha Springs and supporting documentation; and Salida's drafting, review, and execution of this Agreement ("Reimbursable Costs and Fees"). The Reimbursable Costs and Fees include but are not limited to Salida's costs incurred for engineering, surveying, and legal services, including the services of outside City consultants and/or counsel; recording fees; printing and publication costs; and any and all other reasonable costs incurred by Salida in connection with processing and review of the proposed Public Improvements.

5.14.2 Reimbursable Costs and Fees attributable to work completed by City staff, not including the City Attorney, will be determined based on the then-effective City of Salida Schedule of Fees.

5.14.3 Reimbursable Costs and Fees attributable to work completed by the City Attorney or by Salida's outside consultants and/or counsel will be equal to the actual costs and fees billed to and paid by Salida for that work.

5.14.4 Interest will be imposed at rate of 1.5% per month on all balances not paid to Salida within 30 days of the effective date of Salida's invoicing of the Developer for the Reimbursable Costs and Fees, with that effective date determined in accordance with the notice provisions of paragraph 10.6 below. In addition to any and all remedies available to Salida and in the event Salida is forced to pursue collection of any amounts due and unpaid under this provision or under this Agreement, Salida shall be entitled to collect attorneys' fees and costs incurred in said collection efforts in addition to the amount due and unpaid.

5.15 System Development Fee. Until and through December 31, 2029, Developer shall require its individual lot purchasers to pay fifty percent (50%) of the then-applicable wastewater system development fee to Salida upon closing, with the remaining fifty percent (50%) of the system development fee to Salida upon building permit approval. Said individual lot purchasers will have their wastewater system development fee locked in at the amount applicable at the time of lot closing, based upon the then-effective City of Salida Schedule of Fees, and that fee amount shall continue to be in effect as the applicable system development fee on the property until paid in full at building permit approval. However,

this requirement does not arise until the individual lots are sold and does not arise if the Developer is selling the entire development. Subject to Salida's approval as to proper documentation recorded with the Chaffee County Clerk and Recorder, if the Developer sells the entire development, this obligation will arise when the Developer's successor sells the individual lots, but at no point shall this obligation be due later than the time of building permit application.

Section 6 – Development Schedule

- 6.1 **Development Schedule.** Attached **Exhibit G** provides the schedule according to which Development will occur, including construction and installation of the Public Improvements.
- 6.2 **Development Phases.** Each phase of Development must be planned so that the Developer's failure to proceed to a subsequent stage will not have an adverse impact on Salida's wastewater treatment system, process, or facilities.
- 6.3 **Deadline for Completion and Approval of Sewer Line Extension.** The Developer shall construct and install the Sewer Line Extension, and shall obtain Salida's written approval of the Sewer Line Extension in accordance with paragraph 5.10 above, no later than October 1, 2027. The Developer acknowledges and agrees that this deadline is applicable regardless of the number of units constructed within the Property as of June 1, 2027.

Section 7 – Default by Developer and Salida's Remedies

- 7.1 **Salida's Remedies on Developer's Default.** In the event of the Developer's default with respect to any term or condition of this Agreement, Salida may take any action necessary or appropriate to enforce its rights, including without limitation any or all of the following:

- 7.3 **Jurisdiction and Venue.** The District Court of the County of Chaffee, State of Colorado, will have exclusive jurisdiction to resolve any dispute over this Agreement.

- 7.4 Waiver. Any waiver by Salida of one or more terms of this Agreement will not constitute, and is not to be construed as constituting, a waiver of other terms. A waiver of any provision of this Agreement in any one instance will not constitute, and is not to be construed as constituting, a waiver of such provision in other instances.
