

Dear City Council,

This is the Ninth year of the Salida Arts Festival. The festival is open to the public, July 15th, and July 16th. It will take place at Riverside Park, adjacent to the pedestrian mall. I have rented the park for three days, July 14-16, July 14th will be set up day and not open to the public. Every artist will have their own 10 x10 white canopies, there will be no staking into the ground.

I will hire an off duty Salida police officer for overnight security, Fri and Sat. nights. I will provide trash cans and be responsible for making sure the park is clean when we leave. There is no liquor. There will be amplified music, (one small amplifier) Sat. and Sun afternoons 12:00-3:00. Red Tischer will be strolling and playing his guitar. No use of stage, or large amplifiers.

I will be renting 2 additional Port-a-Potties. I will pay for an additional cleaning of all of the port-a-potties on Saturday evening. This was adequate last year.

I will need the water and electricity In park turned on please.

I will collect the \$20.00 city vendor license fee from each artist and then write one check to the city. I have done this every year in the past without issue. I believe the show will be a significant source of tax income for the city.

If you need further information or have questions, let me know.
Thank you for your consideration.

CITY OF SALIDA

OVERVIEW OF LOCAL NOISE REGULATIONS & PERMITTING

Chapter 10, Article IX of the Salida Municipal Code (the “Code”) establishes regulations and standards for noise within the City of Salida (the “City”) to reduce and eliminate unnecessary and excessive noise which would otherwise be detrimental to residents and the community in the enjoyment of life, property, and the conduct of business. Of note, Section 10-9-30(c) of the Code provides that it is “unlawful for any person to emit or cause to be emitted any noise which leaves the premises on which it originates, inclusive of a public premises, crosses a property line and enters onto any other premises in excess” of the specified levels.

Pursuant to Sections 10-9-40(14) and 10-9-80 of the Code, however, the City may specifically exempt a particular noise from this prohibition through the issuance of a noise permit. Such a permit may include limitations and conditions to minimize the adverse impacts of the proposed noise may have on the community or surrounding neighborhood. Such limitations and conditions include, but are not limited to, the following: the hours of operation, maximum decibels, the type of sound amplification equipment, and the type of sound that may be amplified. No permit shall be issued for noise after 10:00 PM, with allowances to go until midnight on the Fridays and Saturdays of Memorial Day weekend, 4th of July weekend, and Labor Day weekend, and on the Thursday, Friday, and Saturday during the FIBArk Festival.

The issuance of a noise permit is at the sole discretion of the City Administrator or City Council, and the issuance of such permit does not confer any rights upon the permittee other than those expressly authorized by the permit. Violation of any of the conditions or limitations set forth in the noise permit may result in immediate revocation of the permit. Revocation of the noise permit does not preclude the City from seeking any remedies otherwise available under federal, state, or local law.

Applications for a noise permit must be submitted on the attached “Application for a Noise Permit” form and submitted at least five (5) working days prior to the date for which the permit is sought.
