

## CITY COUNCIL ACTION FORM

<b>DEPARTMENT</b> Parks and Recreation	<b>PRESENTED BY</b> Diesel Post - Parks and Recreation Director	<b>DATE</b> 2/6/24
---	--	-----------------------

### ITEM

Resolution 2024 – 16 authorizing the lease agreement with the FIBArk community paddling program for the lease of the FIBArk boat house.

### BACKGROUND

The Department of Parks and Recreation has been leasing the FIBArk boathouse since 2022 as we make improvements intended to allow for functional operations of the Recreation division as well as a programming location. The Recreation staff will be moving out of the small office at the pool and into the FIBArk Boathouse. The Boathouse will also be used as a location for classes, activities, and events for the Recreation division while still allowing the FIBArk board to use the facility for the FIBArk festival and evening board meetings. At the time of the packet deadline, item 9 regarding ADA compliance responsibility was in negotiations. The City is taking responsibility for any possible access needs, the legal team was unaware of this at the time of their review and editing.

Previously, the lease has been year to year. The FIBArk board has offered the opportunity to enter into a 3-year lease at this time.

### FISCAL NOTE

This lease is written so that any maintenance or improvements the that City does to the Boathouse is forgiven for the monthly lease amount on a dollar-for-dollar basis. The monthly rent is \$1,348.00, and at this point, the City does not need to pay for the lease based on improvement to the heating, plumbing, and interior required to use the space for the City's purposes. Work slated for the facility to finish preparing it for City functions will currently cover the lease payments until June of 2024.

### STAFF RECOMMENDATION

To approve resolution 2024 - 16 authorizing the lease agreement with the FIBArk community paddling program for the lease of the FIBArk boat house.

### SUGGESTED MOTION

A Councilperson should move to “approve resolution 2024 –16 authorizing the lease agreement with the FIBArk community paddling program for the lease of the FIBArk boat house”.

Any alterations, additions or improvements to or of said Premises, excepting movable furniture and equipment, whether or not consented to by Landlord, shall on the expiration of the lease term become a part of the realty and belong to Landlord and shall be surrendered with the Premises. This includes specifically light fixtures, locks, attached floor covering (including wall-to-wall carpeting), built-in cases and cabinets and equipment or fixtures of a similar nature. If Landlord consents to the making of any alterations, additions or improvements to the Premises by Tenant, the same shall be made by Tenant **at an equivalent forgiveness of the Tenant's lease cost.** Upon the expiration or sooner termination of the Term, Tenant shall, upon written demand by Landlord given at least sixty days prior to the end of the lease term, at Tenant's sole cost and expense, forthwith and with all due diligence remove any alterations, additions, or improvements made by Tenant, designated by Landlord to be removed, and Tenant shall, at its sole cost and expense, repair any damage to the Premises caused by such removal.

If Tenant makes or permits any applicable alterations, additions or improvements to the premises, then Tenant shall obtain all certificates, permits, licenses and other authorizations of governmental bodies or authorities which are necessary to permit the construction of the improvements on the demised premises and shall keep the same in full force and effect at Tenant's cost.

Tenant shall negotiate, let, and supervise all applicable contracts for the furnishing of services, labor, and materials for the construction of the improvements on the demised premises at its cost. All such contracts shall require the contractor to guarantee performance and all workmanship and materials installed by it for a period of one year following the date of completion of construction. It is Tenant's responsibility to advise the contracted party of this provision prior to any work being commenced on the property.

Tenant shall cause all applicable contracts to be fully and completely performed in a good and workman like manner, all to the effect that the improvements shall be fully and completely constructed and installed in accordance with good engineering and construction practice.

During the course of any applicable construction by Tenant, Tenant shall, at its cost, keep in full force and effect a policy of builder's risk and liability insurance in a sum equal, from time to time, to three times the amount expended for construction of the improvements. All risk of loss or damage to the improvements during the course of construction shall be on Tenant with the proceeds from insurance thereon payable to Landlord.

Upon completion of construction, Tenant shall, at its cost, obtain an occupancy permit and all other permits or license necessary for the occupancy of the improvements and the operation of the same as set out herein and shall keep the same in force.

Should a lien be filed against the Premises or Landlord as a result of Tenant's lease or repairs, Tenant shall cause the lien to be released within 30 days either by payment, settlement, or bonding around the lien. If Tenant fails to have the lien released in 30 days, Tenant shall be in default of the Lease and Landlord may post and charge the premium to Tenant as additional rent. Tenant, to the extent permissible by law, shall hold harmless and indemnify Landlord, including for Landlord's attorneys' fees incurred in any lien collection process and foreclosure lawsuit or to remove any liens caused by the acts or omissions of Tenant.

All repairs, alterations or additions to said premises made during the term of this Lease shall be and become the property of Landlord and Landlord shall be under no obligation to reimburse Tenant for any sums of money so expended or for value realized in making repairs, alterations, improvements, or other remodeling of the interior or exterior of the Premises, except as agreed by Landlord in writing.

In the event that repairs or replacements are needed to be made by Tenant, Tenant shall provide written notice to Landlord who first shall approve the manner of such repair. In the event of emergency repairs, Tenant shall provide immediate notice to Landlord

of the emergency. If Tenant authorizes emergency repairs without the pre-approval of Landlord, the rear out and replacement of such repairs shall be at the expense of Tenant if such repairs are incongruous and non-conforming to the mechanic's and aesthetics of the Premises. The Tenant will submit invoices for repair to the Landlord, and those fees will be deducted from the rent.

Landlord provides no security against criminal conduct for the Premises, or Tenant, Tenant's guests, invitees, and licensees. To the extent permissible by law, Tenant shall protect and indemnify Landlord and hold Landlord harmless from all claims, demands, damages and liability (including without limitation, attorneys' fees and expenses) to any and all persons arising from damage to property or personal injury occasioned to or sustained in or about the Premises.

15. Insurance.

Landlord, at Tenant's sole expense, shall be named insured or additional insured on all insurance policies required under this lease, and such insurance shall act as primary insurance with respect to all claims, injuries or casualties occurring on or to, or arising from, Tenant's occupancy and/or use of the Premises. During such time, if the premises are uninhabitable, the Tenant shall not be responsible for rent.
