RE: Procurement of Compact Excavator

Attn: Peterson Cat

The City of Sandy Public Works Dept. is requesting quotations to furnish a new excavator. The city is a member of Sourcewell, please reference our account number **97344** and any associated discount in the quotation. While reviewing qualified quotes, the city will follow OAR 279B.070 criteria to determine which quote best serves the needs of the city. Scoring criteria will include, product price, included warranty, service experience/availability, and product features and functionality. The city is requesting quotations back at your earliest convenience. Please include estimated procurement lead time for quoted equipment.

Below are the items requested for quotation along with required features and functions. Non-standard features shall be listed individually separate from machine price.

Excavator

- Operating weight range of 10,000lbs-14,000lbs
- Safety LED lighting
- Three digging buckets – 18", 24", muck/grading
- Fully temperature controlled enclosed cab
- Rubber tracked
- Hydraulic thumb
- Hydraulic bucket connection
- Auxiliary implement hydraulic connection
- Angle grading blade
- Mower/flail attachment

~~\$105,761.72~~
\$116,864.12

Trailer

- New product
- Capable of safely towing quoted excavator
- Included all necessary safety lighting
- Electronic brakes
- Tilt deck with stationary deck
- Pintle hitch

~~\$17,548.68~~
18,506.96

If you have any questions regarding the items above, please contact Jake Rutledge 971-404-8601

Completed quotes and questions can also be submitted via email to Jrutledge@ci.sandy.or.us
