Please explain your interest in serving on the Transit Advisory Board

I am a user of Sandy Transport. My interest, in particular, is SAM rides. I use that quite a bit. I am interested in seeing it progress and how it can serve the Sandy community.

What knowledge, education, or skills would you bring to the Board?

My experience as a rider is an important perspective. I have also served the City of Sandy in a variety of professional and personal ways. I have a BA in journalism. In my years as a journalist I was freelance reporter for the Oregonian and I mainly reported about news in the Sandy area. I also worked at the Sandy library for 10 years. I volunteered at Firwood and served on the Board of Friends of the Library. I have served on the Sandy Transit Advisory Board since September 2018.
