Dear Chief Lundry:

Congratulations on successfully completing the process for Oregon State Re-Accreditation. At the September 2023 Board meeting, the Northwest Accreditation Alliance Board reviewed the final report from your agency's recent onsite assessment and unanimously recommended that the Sandy Police Department be granted re-accredited status.

I also want to recognize the outstanding work of your Accreditation Manager, Interim Chief Sean Lundry, for his work in preparing your agency for the accreditation review.

Your official re-accreditation period began January 2023, with the term of award for three years. An onsite assessment for re-accreditation should be scheduled prior to the expiration of the accredited period on January 31, 2026.

I look forward to the continuing partnership between your agency and the Northwest Accreditation Alliance. Please extend my sincere congratulations to all members of your agency for their efforts in achieving your award of re-accreditation. This is a great achievement and one to be very proud of.
