

# SICC Forest Fest

## (Sandy Invitational Chainsaw Carving)

*2nd Annual Chainsaw Carving Event*  
38600 Proctor Blvd, Sandy, OR 97055  
&  
16640 Champion Way, Sandy OR 97055

### OVERVIEW & PURPOSE

What: Celebrate Oregon Forests through the support of Wood Carving Artists, Timber Sports, Mass Timber, Mechanized demos, and skills demonstrations.

Where: [Mt. Hood Farmers Market](#), 38600 Proctor Blvd, Sandy, OR 97055 & 16640 Champion Way, Sandy OR 97055

When: June 1st, 2024 8:00 am to 7:00 pm

Who: Trajectory, Freelance Artists, Competitors, Local Business, Government Offices and Representatives, nonprofit organizations.

Website: <https://www.trajectorynw.org/sicc>

Contacts:Carving: [Austin Ernesti](#) 503-381-9314

Mech: [JR Hendershott](#) 971-378-4134 & Mike O'Malley 503-407-9058

Youth Field: Liz Reeve 503-349-8774

Timber Sports: Andrew Sloan 503-939-7986

Road Closures: We request closing Scales Ave for Fire Crews and Trailer Parking. Please advise as we defer to your experience and expertise, but this seems like a need this year

with the larger number of carvers.

Noise Exemption: We are requesting an exemption for noise violations from the City for the day of June 1st, 2024. There will be chainsaws and heavy machinery running. To our knowledge there were no noise complaints last year as chainsaws are always running in Sandy and the event will be closed before dusk.

Sandy Area Metro: We spoke with Andi at SAM and requested a specialty route for the day with decorations and "ride along foresters" to answer questions and educate the public.

## Theme

**Oregon does trees a bit differently. Our forests are an active and complex laboratory worth supporting and emulating; they create sustainable products, public recreation, curtail the threats of climate change, and provide a wide variety of careers. Trajectory can think of nothing in Sandy more worth celebrating, studying, enjoying, protecting, and honoring than the Forest.**

The event is broken into Five parts with the main event being the active carving of 15-20 artists and the selling and auctioning of their art. Hosting independent wood carving artists to demonstrate their capabilities and sell art. Invitations to other relevant vendors/educational booths with partnered Organizations. Carvers choose their logs at 8 am by lot with trades legal. Saws down at 5:30 pm with judging panel decision announcement. "Quick Carve" event will also take place from 1-2pm where carvers are each given a second piece to carve whatever they desire. Silent auction on those pieces is conducted until 5 pm. Artists may also display and sell their own pieces.

## Other events will include:

- **SICC Timber Sports:** Local Competitors following Stihl Timber Sports Rules. Industry Professionals only, no general public participation. Events include standards like buck saw, underhand chop, obstacle pole, log burling, stock saw, etc.

**-SICC Youth Field:** A demonstration of skills by former OSU Forestry Team members. They carry their own skills, and equipment. Trajectory will be sourcing the needed logs. They will also be the Industry Professionals that will be leading public in practical skills. Public participation in forestry-related activities like choker setting, cable splicing, and two-person buck saw. Waivers must be signed by all participants. Industry-required Safety Gear and Personal Protective Equipment will be provided and worn by all individuals participating in events regardless of their affiliation or certifications. Equipment includes but is not limited to helmets, eye pro, ear pro, chaps, gloves, and face shields. Again, *untrained volunteers are not to instruct the general public.*

**-SICC Mech Demo Field:** Heavy Machinery for public viewing and explanation. (Harvester, Excavator, Dozer, etc) Mini Excavator public competition (balls in buckets.) Log Loader competition for industry professionals.

**-SICC Mass Timber:** Oregon Mass Timber Manufacturing: the regenerative wave of the near future. Displays by TimberLab, Souter Timber, OSU TallWood Design Institute, and more.

**-Vendors:** Selling Vendors, educational nonprofits, local organizations, and trades jobs with "job seekers" in mind. (Pseudo job fair.)

## Incident Mitigation and Safety

-Insurance with \$2,000,000 liability naming Trajectory, AntFarm, Leathers Fuels, the City of Sandy, and all associated staff, participants, and volunteers as certificate holders. Insurance is provided by The Alliance of Nonprofits for Insurance.

-Carvers are given a 15'x30' space blocked off by waist high fencing. Signage on public facing sides.

-Timber Sports Field run by Jon Wood and Albert Schroder. (Did Estacada's for years.)

-Orange t-post fencing lining the entire perimeter of carving field, timber sports, and youth field. Mechanized portion will have a 6' chain link standing fence on road perimeter.

-Youth Field run by OSU Forester graduates currently working in this industry.

-All tools used by or supervised by trained professionals. Public is not to use powered equipment.

-Public will utilize full sets/ relevant Personal Protective Equipment during skills training.

-All equipment must be secured by physical presence, behind monitored fences, or in secured sites. Heavy equipment must be run by or in conjunction with experienced operators in the cab. Exception: mini excavator competition will be blocked off and can be done by any public members, dropping tennis balls in buckets.

-Mass timber demos will use small tools like impact drivers and hammers. Appropriate PPE utilized and guided by industry professionals from respective businesses.

-Earplugs at all entrances with volunteers discussing hearing loss prevention. Sunscreen and skin damage info are provided as well.

-6 Portable Toilets dispersed across events.

-Water Stations and first aid at each site

-Trash cans at all entrances, restrooms, and at water stations.

-Fire units on site. (Also with Career Fair participation.)

-EMS Services On Site (Also doing Career Fair Participation)

-Fire Marshal approval.

## Clean up and Pack out:

Trajectory has a team of volunteers to facilitate teardown. During the evening of the 1st and the following day. Huge machines will need to be hauled out on Sunday the 2nd.

Major tents, trash, and exhibits will be torn down night of June 1st. Fencing, machines, and remainders will be removed on Sunday the 2nd.

## Schedule: June 1st, 2024

### SITE 1: Sandy Invitational Chainsaw Carving

**7:00 am Arrival on Site and Setup (Fences Delivered the Night Before)**

## **SITE 2: SICC Timber Sports and Demos**

8:00 am Arrival on Site and Setup (Fences, Logs, and Heavy Equipment Delivered the Day Before)

9:00 am Career Booths and Vendor Set up

10:00 am “Doors Open” to the public. Mass Timber Displays open. Mech Field Open. Youth Field Open.

Timber Sports Competitors gather for rules and regulations.

11:00 am TimberSports, Log Loader, and Mini Ex Begin

6:00 pm All Competitions close

6:30 pm Final judging will be announced. (Speeches/Awards/Recognition)

## Maps

Beta Maps. This will change slightly as we dial in spaces and gear.

**SITE 1:** Sandy Invitational Chainsaw Carving. We have Antfarms permission to use the full parking lot as they will not be having any activities on that day. (Contact: Jen Rippey) We are requesting Scales Avenue be closed for trailers and fire department.

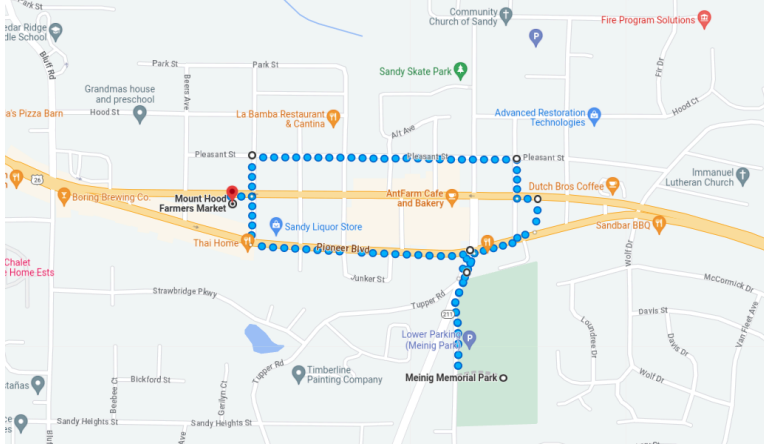

**SITE 2:** SICG Timber Sports and Demos

Brad Pickings lot at 16640 Champion Way will be the new site for the auxiliary action. Minor leveling will take place, we will need to pack in bark chips or hay on fresh dirt. Bark chips covering the ground for the Timber fields would be preferred.(In either situation, Trajectory will have insurance with the City on the Rider.) We will have to reseed anything left bare after the event. We do not need a c-1200 permit to our knowledge. Depending on amounts moved we may or may not have to fill a grading and erosion permit.

Walking Arborist/ForestTour (Wilbur at Mr. Tree)

## Logos and QR Codes
