

February 13, 2026 Noise Variance and Road Closure Request

Dear Mr. Tyler Deems, Mr. Patrick Depa and City of Sandy Council,

As requested by your email, the Sandy Mountain Festival Association is requesting a noise exemption variance and road closure request for the Sandy Mountain Festival Carnival this summer.

The Sandy Mountain Festival is bringing back the beloved carnival for its 2026 season! This will be held in the Ant Farm Farmer's Market lot bordered on the east side by Scales Avenue. Traditionally Scales Avenue is closed during the carnival to allow more room for midway games and rides. The carnival will include rides, games, and some food, and will be put on by Brass Ring Amusements.

Thursday July 9th, 2026 Brass Ring Amusements will open a carnival at 5pm (set up is beginning Monday July 6th, 2026), and operate that day from 5pm-10pm, Friday July 10th, 2026 from 10am-10pm, Saturday July 11, 2026 from 10am-10pm, and Sunday July 12th, 2026 from 10am-5pm on the Ant Farm Farmer's Market lot located on Scales Ave. The laydown storage yard for the carnival will be located at 38950 Pioneer Blvd (west of Sandy Action Center). The carnival will tear down Sunday into Monday and be on to their next stop by end of day Monday July 13th, 2026.

In addition, The Sandy Mountain Festival respectfully requests that Scales Avenue Between Proctor Blvd. and Pioneer Blvd. be closed from 07/06/2026-07/13/2026 for as follows:

- The carnival will set up Monday afternoon on July 6th, 2026 and tear down Monday afternoon July 13th, 2026.
- Requesting to close Scales Avenue between Proctor Blvd to the north and Pioneer Blvd to the south (Intersection with Eastbound and Westbound US26) (carnival will take up entire "Ant Farm" lot including Scales)
- Midway game booths and possibly rides will be set up on the farmer's market lot AND Scales Avenue.
- Ant Farm has large "Road Closed" signs that they have said we can borrow and they will be placed the same locations as during the Friday Farmers Markets.

Thank you for your consideration in our request. If you have any questions or clarifications, please feel free to reach out to me.

Gratefully,
Kelly French
