Why are you interested in joining the Planning Commission? What inspires you to serve in this capacity?

I currently hold a seat on the Planning Commission and want to continue to serve my community. I have learned a lot in my short time as a commissioner, and look forward to gaining experience and contributing to the future of Sandy.

What knowledge, education, or skills would you bring to the Commission?

I have been on the commission for several months learned so many things and I have feel like my contribution to the commission has been a positive one. I ask questions and explore options and ways to lawfully evolve Sandy, while following the codes and respecting my fellow commissioners and other city staff. I have attended all meetings and work sessions available to me and I have a respectful working relationship with not only my fellow commissioners, but also city council members and city staff. I appreciate my position and do my best to fulfill and excede expectations.

Do you live within city limits, or if not, do you meet one of the two exceptions listed above this webform under 'Membership Requirements?' Yes
