#### Please explain your interest in serving on the Budget Committee

I'm interested in serving on the City of Sandy's Budget Committee because I'm committed to supporting the community and ensuring that our financial decisions reflect the city's priorities. With my current role as Chair of the Planning Commission and as a member of the Economic Development Board, I've developed a strong understanding of how to align budgets with community needs.

I also have previous experience serving on the Budget Committee for the City of Portland's Development Services Bureau, which had a budget of over \$100 million at the time. This experience gave me a solid foundation in managing large budgets and making informed decisions. As the owner of a local travel agency, I regularly manage budgets, evaluate financial data, and prioritize resources to meet long-term goals. I'm eager to apply these skills to help Sandy make thoughtful decisions for the future.

#### What knowledge, education, or skills would you bring to the Committee?

I bring a range of skills and experience that will be valuable to the Budget Committee. My time serving on the Planning Commission and Economic Development Board has given me a strong understanding of how municipal operations work and how to balance resources to meet the needs

of the community.

Having served on the Budget Committee for the City of Portland's Development Services Bureau, I have hands-on experience with large budgets, financial reporting, and making thoughtful decisions about resource allocation. This experience has helped me develop a solid understanding of budget processes and the importance of making informed, strategic choices.

As the owner of a local travel agency, I manage budgets and financial planning regularly, which has given me practical experience in prioritizing resources and ensuring financial decisions align with long-term goals. I'm confident that my background in financial management and strategic planning will allow me to contribute effectively to the Budget Committee's work.
