

LETTER OF INTENT

Greetings,

Glenn Polk Chevrolet in Sanger is embarking on a new chapter. We are replacing our entire existing facility with a new, state of the art dealership. Our new facility is in the planning stages and we intend to begin on-site construction work in the fall of 2022. It will be built on the existing property immediately to the south of the existing building. Our new facility will be approximately 21,200 sq.ft. to 24,000 sq.ft. and will contain a new four-vehicle showroom; new-car and pre-owned sales and financing offices, management offices, customer amenity spaces, parts storage and sales and a new 16-bay service facility.

The new service facility will include quick-service oil change/lube bays. We will have space for 130 cars in prime inventory spaces, parking for customers and employees, and additional space for over 100 additional vehicles in for service or in fleet inventory.

This new facility will bring approximately 15 new, high-paying jobs to the Sanger economy. As part of our project, we will be requesting rezoning of the property from Agricultural Zoning (A) to Commercial Zoning (B-2) and any needed SUP processes.

Thank you,

A handwritten signature in black ink, appearing to read "Glenn Polk", is written over the printed name.
