For Minors under the age of 17 to receive a card in their name, parents/guardians must have a valid library card in good standing before applying for a Library card for a minor.

All cards will expire after three years. Temporary cards will be issued for up to 6 months.

The Library places lending restrictions on first-time use of new cards. New patrons may check out up to two items on their first-time check out. Full lending privileges will be available upon return of items.
